Circular No. 4—P. W., dated 15th November 1909.

To—All the Executive Engineers, Civil Engineers, the Chief Electrical Engineer, the Chief Engineer of Mysore and the Secretary, General and Revenue Departments.

It having been noticed in all the Divisions that the Pass Book is sent once a month to the Treasury for being written up though the Division Office is located at the same station as the Treasury, attention of all the Executive Engineers and Civil Officers is invited to para 1136 of the P. W. D. Code, Vol. I, in view to its being sent once a week as laid down therein.

It is hoped that the adoption of this procedure will facilitate the submission of the Cash Balance Statements from Divisions on the due date.

Circular No. 5—P. W., dated 16th November 1909.

To—All the Executive Engineers, the Chief Electrical Engineer, the Chief Engineer of Mysore and the Secretary, General and Revenue Departments.

It having been found during the recent inspections that the Register of Measurement Books in use in the Sub-Divisions is the same as that prescribed for the Division Office in the Examiner's Circular No. 2 of 1906, but does not show when the completed books are returned to the Division Office for record, the Comptroller has the honor to request that an additional column may be inserted in the Register of Measurement Books in Sub-Divisions to show the date of return of the completed Books to the Division Office for record.
